News From Camp Collier.

Camp Collier, Lexington, Ky., May 23d, 1898.

The Lexington branch of the American Bible Society has distributed three thousand New Testaments among the soldiers at the two camps.

Y. M. C. A. tents have been put up for the Second and Third regiments. Each tent is under the charge of a secretary.

The soldiers have been offered the free use of the baths at the Y. M. C. A. and at Kentucky University.

The examination of the members of the First Regiment began Friday at Camp Bradley. There was a large number of rejections in the two companies examined and some of the men assert that they have been turned down for trivial causes. The eyesight is given a severe test and defective eyes have caused the failure of many.

The Lexington Observer says: "Paris has a fine company of men. In fact the whole of the Second Regiment is a fine body of young men. They come largely from the best families of the Blue Grass section."

Dr. John Sweeney, of Paris, who is listed in the hospital corps of the Louisville Legion, First Regiment, has been transferred to the Second Regiment, and has been promoted to the position of Stewart of the hospital corps of that regiment. Dr. Ben Frank was Saturday promoted to the office of Steward of the Louisville Legion hospital corps. The position of Steward pays \$60 per month, and the Drs. have the same fare as the officers. Drs. Frank and Sweeney, who were classmates at Louisville, are two of the most popular young men of Paris, and their friends will be glad to hear of their promotion.

A very large delegation of Parisians came up to Camp Collier Sunday to visit Company I and tell the members goodbye before the Second Regiment is moved from Lexington. All of the boys are cheerful and in good health, and are anxious to go to the front.

The Louisville Courier-Journal Sunday printed a very poor likeness of Mr. N. C. Fisher, the good-looking Second Lieutenant of Company I.

J. B. Yeldell, Will Senieur, Ben Senieur, Chas. Pitman, Russell Barbee and Levi Fratman, of Mt. Sterling, joined Company I, of Paris, before it was mustered into the army.

The Lexington Argonaut says: The flag presented by the young ladies of the Paris High School to the Paris Company has been received. It is a beauty and the boys are very proud of it.

Ex-Bourbon C. M. Longmire, who was appointed Lieutenant of the Georgetown Company, has been transferred to the Covington Company because one of the Lieutenants failed to pass.

Sunday morning at Camp Bradley Samuel Tyler, of Company F, of the Louisville Legion, who refused to sign the muster roll without good reason, was dressed in a yellow sweater by his companions, was ridden on a rail through the camp and paraded with tin pans and drums. Then he was tossed in a blanket and his face was smeared with yellow paint. He was then drummed out of camp. Ed Davis, of the Madisonville Company, was given similar treatment at Camp Collier the other day. Davis refused to sign the muster roll.

Advice to Consumptives

There are three great remedies that every person with weak lungs, or with consumption itself, should understand. These remedies will cure about every case in its first stages; and many of those more advanced. It is only the most advanced that are hopeless. Even these are wonderfully relieved and life itself greatly prolonged.

What are these remedies?

Fresh air, proper food and

Scott's Emulsion

of Cod-Liver Oil with Hypophosphites. Be afraid of draughts but not of fresh air. Eat nutritious food and drink plenty of milk. Do not forget that Scott's Emulsion is the oldest, the most thoroughly tested and the highest endorsed of all remedies for weak throats, weak lungs and consumption in all its stages. 50c and \$1.00; all druggists.
